

CERTIFICATE OF CONFORMANCE

July 31, 2017

Adesto Technologies hereby certifies that its products do not contain any halogenated and other below listed materials or else in negligible/non-detectable trace levels.

No bromine (Br), chlorine (Cl), or antimony trioxide (Sb₂O₃) is intentionally added to the parts. Any trace impurities of the RoHS substances in the parts are below the RoHS specified values.

Substance	Threshold Level
Bromine (Br)	0.09% or 900 ppm
Chlorine (Cl)	0.09% or 900 ppm
Total Concentration of Bromine (Br) and Chlorine (Cl)	0.15% or 1500 ppm
Antimony Trioxide (Sb ₂ O ₃)	0.09% or 900 ppm
